

追思蔡敏忠博士
Dear Dr, Tsai 創校校長

Your life is your vision, mission and inspiration with your great capacity of stability, integrity, humanity, quality and continuity.

You practiced what you preached in your life as a great pioneer, leader, scholar, educator and friend beyond our profession.

You have left a great legacy of your torch which will be continued to pass on to future generations nationally and internationally.

Your life will be valued forever.

Your life will be mirrored forever.

Your life will be celebrated forever.
